# Johnson County *Community* Arts Mapping

**We're asking for your help!** To find the artists and organizations left out of mainstream circles. The Arts Council of Johnson County and our partner ArtsKC are trying to identify and map ALL of the art assets in Johnson County. That means knitting circles and marching bands, food pop-ups, poetry slams to welders, bands and jam sessions, venues, and collectives.

**Why?** Because Johnson County wants to broaden access to arts knowledge, funding, and representation beyond the usual higher-profile recipients.
