# Emerging Theatre Professional Initiative

**SISTER ACT** is part of our 2024 Emerging Theatre Professional Initiative at Theatre in the Park. The emerging leaders shadowed their mentors earlier this year during SHOUT THE MOD MUSICAL in preparation of their roles in SISTER ACT. ETPI is a program providing opportunity for professionals at the beginning of their career to train and develop their leadership and production skills while creating amazing art.

Throughout the program, the participants talk through how to create theatre while growing their skills as artists, leaders, humans, and professionals in the industry. Emerging professionals are given the opportunity to stretch their legs creatively, experience constructive feedback, tackle areas of opportunity as they arise, and work collaboratively as they experience multiple viewpoints throughout the creative process.

The Emerging Leaders were at the helm of this production and their art is amazing to see! A huge congratulations to them for taking on a gigantic show such as this one, all while keeping positive and open attitudes during the learning and rehearsal process!
